Dear Sheri,

The National Board of Diving & Hyperbaric Medical Technology (NBDHMT) has approved your annual meeting titled "1st Annual Meeting of Canadian Chapter of the UHMS held at the Travelodge Toronto Airport and Marriott Airport Toronto" on October 21-24, 2010 has attained 16 hours of Category "A" continuing education units (CEU's).

Thank you for the opportunity to work with you on this endeavor, as I know that we share the same goal – A better educated hyperbaric partner.

Sincerely,

Christene Gillis, Administrator
National Board of Diving & Hyperbaric Medical Technology
